About START Hack

Since 1996, START Global has empowered ambitious students to shape entrepreneurship. With START Hack, one of Europe's leading hackathons, we've built a platform for thousands of young talents to innovate, collaborate, and solve real-world challenges under pressure.

START Hack **Campus X Base** is an open hackathon at **START Global's campus**, bringing together innovators to tackle today's challenges. Join us to dive into cryptoeconomy and redefine finance.

During 36 hours, participants will dive into real-world challenges, innovate & pitch to compete for a share of **500,000 dollars** in total prizes, as part of the **Base Batches Program**.

The winning team will have the opportunity to present their results **in person in front of several VCs directly in the US!***

*Travel & accommodation are fully covered
